Armin Parvardegary

UX/UI Designer

Passionate UI/UX Specialist with 3+ years of experience in user research, wireframing, and prototyping (Lo-Fi to Hi-Fi). Skilled in HTML, CSS, JavaScript/ES6, and Vue.js, I thrive on creating seamless, user-centric designs. Constantly evolving with the latest design trends, I am dedicated to enhancing user experiences and delivering excellence in every project.

Work Experience

UX-UI Designer & Frontend Developer @ Freelance
MAR 2021 - PRESENT

- Performed in-depth research and data analysis to identify key areas for design improvement and inform creative decisions, ensuring optimal user experiences.
- Worked closely with multidisciplinary teams to create detailed sketches, interactive models, and polished designs, while also applying front-end development knowledge to enhance project outcomes.
- Led feedback sessions and testing phases, using insights to continuously refine and perfect digital products across various platforms.

UX-UI Designer @ PINKSWAN LIMITED
JAN 2023 - AUG 2024 · 1 YR 8 MOS

- Designed wireframes, prototypes, and visual designs for mobile and web-based products
- Tested designs with users and adjusted them based on feedback to improve the overall experience.
- Collaborated with developers to ensure that designs were accurately implemented and met accessibility standards

Product Designer @ Rush Graphics
MAY 2022 - NOV 2022 · 7 MOS

- Enhanced my UI design skills and UX principles through hands-on experience with user flows and wireframing techniques.
- Deepened my expertise in product design by focusing on refining and applying advanced design methods.

Frontend Developer Intern @ Vandaw Company
JUL 2021 - JUN 2022 · 1 YR

- Mastered HTML and CSS and gained extensive knowledge in JavaScript and Vue.js, enhancing my web development skills.
- Expanded my technical expertise by learning and applying JavaScript and Vue.js in real-world projects.
